## Last Time Buy

We have remaining inventory of the REV6 and REV6.2 sensors. All last time buys must be placed by November 30, 2023. We will fulfill orders as supplies last and cease shipments of new products on September 30, 2024, unless specific arrangements are made for a shipment beyond that date. For all POs that have already been received, we will fulfill those orders in whole.

## Support

There are no changes to the support or sensor warranty.
